**REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT**

Applicants file this request to give the Patent and Trademark Office (PTO) a full opportunity to reconsider the Patent Term Adjustment (PTA) for the above-captioned patent application. Applicant authorizes the PTO to charge any fees associated with this Request to Deposit Account No. 132490.

Applicants believe in good faith that the current statement of the PTA may be incorrect. On August 20, 2004, the PTO mailed a non-final rejection. Applicants did not respond, and on May 5, 2005, the PTO mailed a Notice of Abandonment. In response to the Notice of Abandonment, Applicant filed a petition to withdraw the holding of abandonment, citing errors by the PTO in processing a power of attorney received on August 2, 2002. The Office granted Applicants' petition on November 8, 2005 and withdrew the holding of abandonment. The PTA calculation on PAIR shows no delay, either by Applicants or by the PTO, between August 20, 2004 and November 8, 2005, which may be in error.

Applicants request that the PTO reconsider the PTA on at least this point.

Respectfully submitted,

Date: October 21, 2010
